ALUMNI

My dear friends,

You might have already received two letters from our principal informing about the dates of Silver Jubilee and Annual Day Celebration. Letters have started coming in huge numbers confirming about their participation. It is our humble request to all our past students to attend the function, in large number without fail. Dear friends If you have not yet confirmed your name please write it today only, to the principal about your arrival. It is the best opportunity for all of us for a get together. Please apply for leave and get your reservations done. We are informing you well in advance only to avoid last minute panic. We have put the information in our Website and Orkut. Once again to remind you my friends –“ Our Silver Jubilee function is on 6th February 2009 and Annual day is on 7th February 2009.” Please also inform all our friends circle with whom you come in contact.

If you have written articles to the souvenir please send them fast, time is running out. If you have any doubt, clarifications or suggestions to make please contact us on below given numbers without any hesitation, please feel free to ask. Lastly wishing you, a very happy and prosperous new year.

Looking forward to see you at the earliest.

With best wishes,

Yours faithfully,

President
Sri Rajeshwari Vidyaniketan,
Alumni
